

Comments on “*Da la scheggia rotta usciva insieme parole e sangue: an unusual case of bleeding and the metaphor of a clinical trial*”

Jozef Vermylen

Emeritus Professor, Katholieke Universiteit Leuven, Belgium

Dear Editor,

I found very interesting your special article on Pier delle Vigne.¹ However, I did not find what stopped the bleeding (hemostasis).

To equate suicide with auto-immunity seems a little far-fetched.

Sincerely,

Jozef Vermylen
Emeritus Professor
